Windows taskbar: 22:10 09-12-2018

The screenshot displays a web application titled "Final Project". The interface is divided into a sidebar on the left and a main content area on the right.

Sidebar:

- User Name:** A text input field containing "sysadmin".
- Password:** A text input field with masked characters (dots).
- Login:** A button.
- Logout:** A button.

Main Content Area:

Manage Enterprise Access

Enterprise Name	Network	Username
Manufacturer1	India	manu1
Manufacturer2	India	manu2
HealthcareProvider1	India	hcp1
HealthcareProvider2	India	hcp2

Below the table, there is a form to manage enterprise access:

- Network:** A dropdown menu currently showing "India".
- Enterprise:** A dropdown menu currently showing "HealthcareProvid...".
- Username:** A text input field.
- Password:** A text input field.
- Name:** A text input field.
- Email:** A text input field.
- Submit:** A button.
- << Back:** A button.

The Windows taskbar at the bottom shows the date and time as 09-12-2018, 22:13, and the system language as ENG.
